

ELEANOR MILLS (SHE/HER)

CSR A

Hello! My name is Eleanor and I am a second year studying Statistics and Economics. I'm really keen to get more involved in the union and I would love the chance to become a CSR and have a positive impact, no matter how big or small. I'm a friendly person who's up for anything, including multiple games of pool in the games room, and I'm always on the lookout for fun events. I love meeting new people and want to ensure the QMU remains a place for everyone.

Manifesto

If I were elected CSR, I would spend my time improving awareness of how much the QMU has to offer students. I personally wasn't aware until my second year of just how much the QMU has to offer and I don't want anyone else to miss out. I would ensure the facilities available at the QMU are widely advertised so people are aware of the plenty of spaces, opportunities and fun events there are for them here at the QMU. I would also love to get involved with the committees at the union, helping wherever I am needed and ensuring all convenors feel supported with their workload. I would dedicate my time to a variety of projects aimed at enhancing the QMU experience for all students. The QMU is a diverse, inclusive and progressive place and I want to help the union carry on in this way. Inclusion is a big thing to me and I would like to work with the welfare and campaigns committee to provide a safe space for disabled students. This is something that is close to my heart and I feel really passionate about ensuring these voices are heard.
