

ROSS BRYSON **(HE/HIM)** **CSR A**

Hi! I'm Ross Bryson (he/him), I'm in second year studying Economics and Geography, and I'm running for CSR A. I've been the QMU's Social Convenor since last April, in which I've helped to expand the QMU's Wednesday quiz, combining it with live music to form the Big Bar Quiz, as well as continuing the Society Karaoke. I am also in QMU's favourite band Dolan, and have played after the Big Bar Quiz and at the Welfare Committee's Big Gig. My time as social convenor has only made me more passionate about this place, so I'd love to be a CSR! Manifesto As CSR, I would like to help plan and organise more daily events throughout the week to give students more impetus to spend time in the QMU, without increasing the burden on the Social Convenor. As a musician I meet a lot of bands who don't have enough material to play long sets, so I would also like to use my gigging experience to organise a monthly Student Gig Showcase. In this, 3 new local bands would play short sets in Jim's Bar – providing a great atmosphere for new bands, playing to a crowd of friends and other bands.
