

# CAMERON MCGREGOR

## CSR A Candidate

Hi everyone, I'm Cameron, and I am a second-year student studying Dentistry. I first found my way to the QMU last year when me and a few friends regularly attended the Big Wednesday Pub Quiz. Since then, I have slowly become more involved and attended Social committee meetings to aid in the organisation of the very quiz I love competing (poorly) in. I'd like to become more involved with the QMU and help where able, as such I am running for CSR in this election.

My manifesto is quite short, consisting mainly of one big idea, mainly described as wanting to rename Bar back to its [clearly] better title of Jim's, I would keep the current name of Games and Venue, but Bar feels a bit basic and lacks character. I'd like to hang a little sign atop the entry to door just saying "Jim's" to mark this change. Similar signs could be placed outside Games and Venue as well. Accompanying this rebrand would be a small décor change bringing a bit more colour and character to the room. I project this project will increase sales by up to one QM-illion percent.

I would also like to increase promotion of the QMU as an island in the sun on campus, branding it as a student hub with study spaces and lunch options. I'd aim to have some dedicated study space advertised throughout the day to increase foot traffic at a time when few students would think of popping down to the QM.
